

# SMALL BUSINESS SURVEY

**Senator Judith Adams**  
Senator for Western Australia

---

## HAVE YOUR SAY

What factors impact upon the operations of your business / organisation?

Please number (from 1 to 3) the three issues that concern you most.

Unfair dismissal laws

Slowing Australian economy

Union interference in the workplace

High level of taxes

Availability of business finance

Other (please specify)

Do you foresee changes to staffing number in the next 12 months? If so, can you give details?

If you could get rid of one piece of government red tape, what would it be?

What is the most obvious effect of these challenging economic times to your business / organisation?
